The VOYAGER Website is Live!

We are excited to announce the launch of the official VOYAGER website – voyager.eu

The platform is designed as the digital home of the project, bringing together everything you need to know in one place.

What You'll Find on the Website...

Project Information

Learn more about VOYAGER's mission to empower young people.

Digital Tools & Resources

Discover toolkits, training materials, and applications developed by our team.

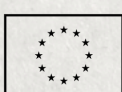

News & Updates

Stay up to date with our events, results, and opportunities to get involved.

Why Visit?

The website is more than just a project page – it's a space for collaboration, inspiration, and action. Whether you are a student, youth worker, educator, or simply someone who cares about the environment, you'll find resources and ideas to help you make a difference.

VOYAGER

2022-2-FR02-KA220-YOU-000097283

This platform is designed not only to present the project, but also to inspire and connect young people, educators, and organizations across Europe. With clear sections, accessible content, and continuously updated resources, the website will be your go-to space for everything related to VOYAGER. The VOYAGER platform will continue to grow throughout the project, with new tools, translations, and opportunities being added regularly.

Follow VOYAGER on Instagram!

The VOYAGER community is growing — not only on our website, but also on social media! On our Instagram page, you can get the latest project news in real time, discover stories and highlights from youth actions across Europe, meet our partners and see how they are making an impact and many many more from us...
